MAHATMA GANDHI, the great freedom fighter and proponent of non-violence, who spent his whole life in struggle for India’s independence was born on 2nd Oct, 1869. His whole life story is an inspiration for us and he is still alive in the heart of every Indian as “Father of the Nation”.

As we all know five years back on this day, our Hon’ble PM Shri. Narendra Modi launched an ambitious cleanliness program – THE SWAACH BHARAT ABHIYAAN with the aim to fulfill the dream of clean India. It’s the best tribute India could pay to Mahatma Gandhi. Swacch Bharat mission has achieved tremendous positive result in both rural and urban areas and has triggered nationwide to improve cleanliness and sanitation in the country. The government has repeatedly described it to be one of the biggest people’s movement.

By organizing, FIT INDIA PLOGGING RUN our nation is celebrating 150th birth anniversary of Mahatma Gandhi. Fit India Plogging is an event to promote the habit of fitness and cleanliness, where the citizens would collect litter along the path while running for the cause.
So, on this day GJSCI came together and actively joined hands for the initiative of a healthy and clean future with #FITINDIA 2km Plog run. It’s all about picking up litter while running, a perfect combination of swacch and swasth.

“LET’S BRING THE CHANGE WE WANT TO SEE IN THE WORLD”
The images depict a community cleaning activity. People are seen carrying brooms and wearing masks and gloves, indicating a focus on cleanliness and public health. The setting is an outdoor area, likely a street or park, with trees and buildings visible in the background. The images also show a group of individuals posing for a photo, suggesting a coordinated effort and possibly a community or corporate initiative.
