

## **GJSCI held “Training Partners Meet” to discuss PMKVY2.0 and way forward**

**26th May 2017, Mumbai:** Gem & Jewellery Skill Council of India (GJSCI) organized a Training Partners Meet at SEEPZ in Mumbai to discuss priorities of the coming year along with the updates on various schemes and benefits. The meet was conducted by Mr. Binit Bhatt, CEO, GJSCI and team for the 80 existing and potential Training partners that were present.

The meeting discussed key topics like PMKVY 2.0 scheme mechanism and on ground implementation, Recognition of Prior Learning Project (RPL) and way forward, GJSCI and its related services, Non-scheme GJSCI affiliation, brief about various job roles offered by GJSCI followed by an open discussion on the challenges faced and possible solutions in the operations

“GJSCI is actively involved in various activities that encircle the prime motive of training and development of labour force of gems & jewellery industry. Apart from that, the body keeps supporting various social causes from time to time. Training partners play a vital role in training & development sector and hence it is important to hold such meets which enable us to keep up the spirit of our training partners and also update them about the timely progress and development of GJSCI”, said Mr. Binit Bhatt, CEO, GJSCI
