

8th-10th July Regional round of the India Skills Competition- a pathway to WorldSkills competition was organized in Indore

Regional round of the World Skills Competition was conducted in Indore; the competition was between 12 candidates. Three batches were conducted on 3 different days where candidates were briefed about the competition and then in a stipulated time period they had to perform the task. Regional round will be judged by the team 'Grau-Bar' Designs.

Results to be out soon!
